

Show Information Brief

Fri 24th June to Sun 26th June 2022

Thank you for entering this event, please take the time to read this information and also familiarise yourself with the competition rules which are available at www.ukhoopers.com under the competing tab, look for UK Hoopers Handbook. If you have any questions on the day please do ask one of our friendly team who will be more than happy to help you out.

Ring Layout

There will be 3 rings set up and classes will follow the attached running order. There will be announcements to let you know when each ring becomes open for walking so listen out for these. Please ensure you have walked your course when invited as once judging starts there will be no further walking.

There will be at least 15 minutes to walk each course.

You **must not** touch anything inside the ring.

Course Walking

There will be a white board on the fence of each ring, this will contain extra course info and also tell you about any PowerPoints that course may contain. It will also tell you the running order (colours) for that ring. Each ring will have a different colour running order so it is important you check each ring when you walk and make a note of the order (snapping a photo on your phone is often useful if you are likely to forget.) **It will stay the same colour order for every class in that ring for that day.** Colour orders will change each competing day.

Arriving, Leaving & Parking

Please do not arrive before the **SHOW OPEN** time of 8:30am

When you arrive please park as directed by the parking team. If you are judging/helping please let them know immediately as there is a separate parking area for VIP's. Also if you are disabled please ask for a forward parking space. However the day parking is very close to the rings/exercise area anyway so nobody will be far away.

You must park only where directed to.

SPEED MUST BE 5MPH ON SITE AT ALL TIMES – THIS APPLIES TO EVERYONE however, please be mindful of caravans and large vehicles, especially if the ground is wet as we will encourage them to maintain enough speed to avoid getting stuck.

Please drive considerately through the village.

Timetable

The proposed timetable is as follows, please note that the rings may run differently to expected but that it is your responsibility to ensure you have walked your courses and are available to run, those with multiple dogs are asked to ensure that they remain on the ball so that the rings are not waiting for people to swap dogs. The rings will not be held.

Number in brackets indicates number of dogs in the class – please note there may be additional POTD entries

Running Orders & Queuing

Each dog who is competing this weekend has been issued with a COLOUR. This colour dictates your running order. (Running tickets will not be used at this event) When you walk your course you must check the colour order for that ring, and **you will be asked to queue when your colour is called**. Eg. If your dog “Rex” is allocated Blue, you will run in the Blue queue for the entirety of the show. In a class the order might be Blue, Pink, Green, Orange so in this case you will know that you will be in the first set of dogs to the ring and should collect your dog ready for the class to start. In another class Blue might be last and so you know you have time to grab a cuppa and watch a few dogs first.

There will also be a list in the office if you need to check your colour.

Our ring party will check off your name/colour as you queue . Please listen to the announcements and do not guess or assume. This approach should help to minimise queue length, ensure ease of access around the site and prevent areas from becoming over populated with people or dogs. If you miss your colour because you were running in another ring then you may join a later colour. You may not run in an earlier colour except for ring party/helpers. This will all be briefed throughout the day, you will not need to guess when to run, just listen carefully and follow the instructions you are given.

As you enter the ring to run, please give your **dog’s name first** and then your name. Please wait for the scorer to acknowledge they have the correct dog on the tablet and then wait to be started by the scorer / judge.

Please respect each others space and allow for people to social distance from you if they wish, you are welcome to watch from around the field and rings but please don’t gather around ring entrances/exits or thoroughfares etc and please ensure that you follow the UK Hoopers rules on being 2m from the ring fence at all times.

How to find the venue:

The venue address is Croxton Kerrial Sports and Social Club, Croxton Kerrial, Grantham, NG32 1QP

What 3 words reference – [///cube.garlic.wedge](http://cube.garlic.wedge)

The postcode is **NG32 1PY** The field is behind the Church and is nicely hidden away

As soon as you enter Croxton Kerrial please ignore your sat nav and follow these directions.

Most people will come from the A607, if you are coming UP HILL (From Melton) take the 2nd LEFT. If you are coming DOWN HILL (from Grantham) take the 2nd RIGHT

This will put you onto **Middle Street**. Follow this through the village, as you come up the hill you'll pass the side of the church (on your right) and a large farmhouse on your left. When you approach a sharp left hand bend indicate right. There's a paddock gate in the corner (attached to church wall) and the driveway you need is immediately right, up between 2 large hedges. (See pics)

If you do come through the Vale from Knipton/Harston, as you get to 30mph sign for Croxton approaching the sharp right hand bend at the church, turn left.

There will be a cone/sign on the roadside.

Camping

Camping is allocated, please check where your pitch is before setting off. When you arrive you must turn onto the field just past the lamppost. **Campers are welcome to arrive from 4pm Thursday – no arrivals before 4pm as there is another event in progress and you will be able to gain access.**

DO NOT DRIVE PAST THE MARQUEE/CLUBHOUSE/FRONT OF RINGS. If you are camping on the right hand side of the field you will need to drive around the field/ back of rings as marked on the attached plan.

You must park in the direction stated on the plan (note tow hitch direction) for motorhomes/vans the front of your vehicle should face in the direction indicated. All vehicles must be inside your pitch, please do not place anything in the fire break areas (the gaps between units). The corners of your pitch will be marked on the ground, please park within this, showing courtesy to your neighbours. If you park in the wrong pitch or are outside of your pitch area you will be asked to move.

Towing Advice:

If you approach from the A46(M1/M69/M6) and come off at Six Hills, after you turn right at EASTWELL CROSSROADS (approx. 10 mins from site) you will come to a humpback bridge, if sat nav tells you to turn left IGNORE IT AND CARRY ON, this is a single track road with passing places, continue straight ahead and turn left when you come to the next village called Waltham on the Wolds. This adds about 5 mins but it is a much nicer road. We recommend leaving the A46 on the A607 for Melton Mowbray and following the A607 instead, this will add approximately 10 minutes to your journey but will avoid multiple villages and single track roads.

If you are travelling on the A1 northbound, do not turn off onto Heath Lane (about 15 mins from site) continue to GRANTHAM/MELTON MOWBRAY A607, turn left at the roundabout and follow the A607 into the village. Again, this adds about 5 mins and is a main road all the way.

Camping Pitch Allocation

Please double check your pitch number on arrival, it may sometimes be necessary to amend the layout to suit ground conditions etc.

Melton and Grantham both have a range of supermarkets, pharmacies, vets, pet shops etc.

IMPORTANT SITE RULES

- No Washing of toilets at the water point
- All rubbish must be bagged and binned
- No fires on the ground, no digging.
- Dogs must not be left to bark, either in caravan gardens or in vehicles.
- Dogs are not allowed off lead in the childrens play area
- **NO POO BAGS IN THE BIN IN THE CHILDRENS PLAY AREA**

Hoopers Record of Achievement Books and *Little Book of Awesomeness Folders* will be available to purchase on site at £5 each from the show office.

Lastly, and this is the most important rule of all. Have fun! Smile! Enjoy your day with your dog, praise them even if it all goes wrong and laugh it off **and don't forget to thank your judge** for giving up their day so that we can enjoy ours. We are very much looking forward to seeing everyone, drive safe and see you soon!
