Hooperfest returns for the 4th year!

How it works:

Hooperfest is a 10 day hoopers extravaganza, in 2020, 2021 & 2022 it was by far the biggest hoopers event in the UK and an indescribable amount of fun! 2023 is set to be even more fun!

Unofficially starting on Thurs 10th August for camping arrivals, the good stuff gets going on Friday 11th for the first of 4 consecutive days of competition running until Monday. "Day trippers" are welcome to enter any competitive runs on any days and join us during the day. Day parking is available each and every day of competition, however please remember that this allows access to the site for competition only and does not include evening entertainment or meals.

Then after the first weekend of competition, Tuesday, Wednesday and Thursday are open to ticket holders only and on Tuesday and Thursday we will enjoy taking part in a range of different workshops including hoopers, scentwork, canine conditioning and more, as well as the opportunity to take your Hooperstar Challenge Awards too. There is training from a number of different instructors in a wide range of different sessions so there will almost certainly be something for everyone.

Returning for 2023! We are thrilled the 2 international judges and trainers, who visited us last year, are back! Once again, we will have the opportunity to run European style courses and train with two of the top overseas trainers and handlers too. It may be possible to offer any unfilled workshop places to those who aren't attending all 10 days, if this is the case then we will advertise these via facebook once 10 day camping and non residential ticket holders have had an opportunity to book their workshop choices.

Wednesday is our complete doggy day off, a non-washing up day for everyone and a rest day for our four legged friends. Competition will begin again on the Friday for three days.

Ticket Types Explained

10 Day HooperFest Ticket – This is the general ticket and is the ultimate ticket to have. This is a full access 10 day pass with camping. It gives the ticket holder the full hoopers holiday experience including 10 nights camping, a range of entertainment, BBQ lunch, takeaway tea, plus access to book on any training workshops. This ticket type is sold out for 2023.

10 Day Non Residential Ticket – This is exactly the same as the main ticket option above, except it doesn't include camping, everything else is included though. Book at www.bookwhen.com/ukhoopers

Half a Hooperfest – These are very strictly limited tickets and will give you the chance to do "half" of Hooperfest, half the price, half the holiday! Book at www.bookwhen.com/ukhoopers

Competition Only – You don't need a ticket for this one, just enter any (or all!) of the competition days as normal at <https://hoopers.online> and turn up to compete. There's no access to site after competition has closed, no entertainment or catering is included (burger van available during show times).

FAQ:

How do I enter the competition classes?

Enter as normal at <https://hoopers.online> you will see a separate event for each weekend of competition. Pay on the day entries may not be available so make sure you enter before the closing date.

How do I book workshops?

All eligible ticket holders will receive an email with details of how to book when workshop bookings are available, remember these MUST be prebooked.

Can I just come for a workshop day?

Probably not. Hooperfest ticket holders have priority booking for workshops. IF there are any places remaining then we may open these up to others but this has not been possible in previous years due to demand.

I've got a camping ticket can my friend/partner/child share with me?

Absolutely! Bring the whole family if you want to! If there are 2 (or more) of you sharing a camping place then you can both book workshops and will both enjoy entertainment. There will be a small extra charge for additional catering for extra people that's all.

Can I work more than 1 dog?

Heck yes! The more the merrier, just make sure you check the timings of workshops so you don't have a clash.

Clear round rosettes will be awarded to all clears, no placings or progression points are awarded for this class. A silent toy may be carried in the ring.

Grading

All standard classes have separate awards for Small, Large and Veteran dogs (Veteran & Veteran+ will be split if numbers allow). Open classes have 1 set of awards per class but will usually place to a higher number.

Combined – both grades of dog will compete together with results split into Small, Large and Veteran.

Graded– Separate awards for each section in each grade (Eg. G1 Small, G1 Large, G1 Veteran, G2 Small, G2 Large, G2 Veteran and so on)

Classes labelled with only one grade are graded classes which are open to dogs of that grade only.

Please ensure you check your entry and select classes carefully, refunds will not be provided for entries into classes for which you are not eligible to run in.

NFC runs are available. A handler may choose to run NFC (Not for Competition) in any class in which they are eligible to compete. The handler must inform the scribe/judge upon entering the ring before commencing their run. The handler then has 60 seconds ring time and may train in the ring. **NFA** (Not for Award) runs are also available, please see rules for further details. A silent toy may be carried in the hand when running in Grade 1, NFC or Nursery & Legends

Yellow Dogs

Dog requiring extra space are collectively referred to as Yellow Dogs (please see www.yellowdoguk.co.uk for more). UK Hoopers are committed to providing a low stress, low arousal environment to help dogs become conditioned to sports competitions. If your dog requires extra space please ensure you tick the YELLOW DOG box on their hoopers.online profile. Yellow dogs queue separately to other dogs to allow everyone to help

cater for their needs, they often run either first or last in a class. If you have a Yellow Dog you **MUST** wear an identifying yellow garment **AT ALL TIMES** around the showground – people won't be able to give you space unless they can identify that you need it. We implore all handlers to read the rule book carefully and provide additional space to dogs wearing yellow. Please note that it is not possible to create an entirely dog/person free environment at a competition and competitors are reminded to consider that there will be other dogs/people present at all times. Rulebook available at: www.ukhoopers.com

Fenced Rings

Rings will be fenced on 3 ½ sides at this event with an open entry and exit chute. Further to this, rings that join onto another, with a shared boundary, have an additional layer of fencing to create an enhanced visual barrier. Please remember that rings are fenced to provide a clear visual boundary, not to contain dogs, or as a substitute for appropriate training. It is your responsibility to ensure your dog is suitably trained to remain in the ring when competing. Ready zones will be used.
