Class Descriptions

Hoopers – A course consisting only of hoops.

Parcours – A course containing any combination of allowable equipment.

Speedstakes – A fast and flowing course designed to test speed and accuracy.

Pairs – 2 dogs, 2 handlers negotiate the course for a single score & time

Grading

All standard classes have separate awards for Small, Large and Veteran dogs (Veteran & Veteran+ will be split if numbers allow). Open classes have 1 set of awards per class but will usually place to a higher number.

Combined – both grades of dog will compete together with results split into Small, Large and Veteran.

Graded– Separate awards for each section in each grade (Eg. G1 Small, G1 Large, G1 Veteran, G2 Small, G2 Large, G2 Veteran and so on)

Classes labelled with only one grade are graded classes which are open to dogs of that grade only.

Please ensure you check your entry and select classes carefully, refunds will not be provided for entries into classes for which you are not eligible to run in.

NFC runs are available. A handler may choose to run NFC (Not for Competition) in any class in which they are eligible to compete. The handler must inform the scribe/judge upon entering the ring before commencing their run. The handler then has 60 seconds ring time and may train in the ring. **NFA** (Not for Award) runs are also available, please see rules for further details. A silent toy may be carried in the hand when running in Grade 1, NFC or Nursery & Legends

Yellow Dogs

Dogs requiring extra space are collectively referred to as Yellow Dogs (please see www.yellowdoguk.co.uk for more). UK Hoopers are committed to providing a low stress, low arousal environment to help dogs become conditioned to sports competitions. If your dog requires extra space please ensure you tick the YELLOW DOG box on their hoopers.online profile. Yellow dogs queue separately to other dogs to allow everyone to help cater for their needs, they often run either first or last in a class. If you have a Yellow Dog you **MUST** wear an identifying yellow garment **AT ALL TIMES** around the showground – people won't be able to give you space unless they can identify that you need it. We implore all handlers to read the rule book carefully and provide additional space to dogs wearing yellow. Please note that it is not possible to create an entirely dog/person free environment at a competition and competitors are reminded to consider that there will be other dogs/people present at all times. Rulebook available at: www.ukhoopers.com

Fenced Rings

Rings will be fenced on 3 ½ sides at this event with an open entry and exit chute. Further to this, rings that join onto another, with a shared boundary, have an additional layer of fencing to create an enhanced visual barrier. Please remember that rings are fenced to provide a clear visual boundary, not to contain dogs, or as a substitute for appropriate training. It is your responsibility to ensure your dog is suitably trained to remain in the ring when competing.

Dog Section

Small – Dogs with an ulna measurement of 15cm or less.

Large – Dogs with an ulna measurement of 15.1cm or more.

Veteran – Dogs 7-10 yrs. **Veteran+** - Dogs 10yrs or over. (Dogs may run as a Veteran or not at the handlers choice. Once a dog competes as a Veteran they will remain as such).

Awards

All classes will place with rosettes to a minimum of 3rd place or to 20% of pre entries, whichever is higher. Clear Round rosettes will be available for unplaced, clear rounds (unplaced means no placing rosette is awarded). Prizes or trophies may be awarded based on pre-entered class numbers. Presentations will be made during the show, all awards must be collected before the show closes or shall be forfeited.

Help at Shows

UK Hoopers has a really great team of volunteers who give back their time to the sport to create the most wonderful show days for everyone! If you think you've got what it takes to join Team Goose then get in touch, we offer some great perks but most importantly we have a great time too! If you don't want to dive right in, but can spare a few minutes at shows, we can always make use of an extra pair of hands, even if just for half an hour!

Can you help us to provide life saving emergency care?

We are fundraising to buy 2 portable defibrillators to ensure that life saving care is seconds away at events. The survival rate for cardiac arrest is just 10%, however, if life saving emergency aid can be provided in the first 5 minutes the survival rate can be as high as 90%!

Please visit our fundraising page at

www.justgiving.com/crowdfunding/ukhoopersdefib to

learn more and donate whatever you can, or you can add a small donation with your entries.

Thank you to our incredible partners
