This show is being run alongside and by kind invitation of a popular and well attended Kennel Club agility competition, it is imperative that site rules are followed which may be outside of our standard rule book. Please familiarise yourself with all rules before attending including those as set out by Lincoln Agility Enthusiasts and The Kennel Club. Dogs are welcome to participate in both events and will be subject to the relevant rules and regulations for each sport. It is the handlers responsibility to ensure only a suitable level of activity for each dog is undertaken and to present to entered classes when required. Agility competitions are busy, high energy environments.

Class Schedule

Classes are expected to run in this order, however the running order is subject to final confirmation and a confirmed ring plan will be issued at least 1 week prior to the event at www.hoopers.online

Courses will be simple, straightforward and flowing and will contain 12-20 obstacles at 5m – 7m spacing. Clear round rosettes will

be awarded to all clears, no placings or progression points are awarded for this class. A silent toy may be carried in the ring.

Barrel Barmy – A fun, specials class where many of the obstacles are barrels (can include any combination of allowable equipment)

Grading

All standard classes have separate awards for Small, Large and Veteran dogs. Open classes have 1 set of awards per class but will usually place to a higher number.

Combined – different grades of dog will compete together with results split into Small, Large and Veteran.

Graded– Separate awards for each section in each grade (Eg. G1 Small, G1 Large, G1 Veteran, G2 Small, G2 Large, G2 Veteran and so on)

Classes labelled with only one grade are graded classes which are open to dogs of that grade only.

Please ensure you check your entry and select classes carefully, refunds will not be provided for entries into classes for which you are not eligible to run in.

NFC runs are available. A handler may choose to run NFC (Not for Competition) in any class in which they are eligible to compete. The handler must inform the scribe/judge upon entering the ring before commencing their run. The handler then has 60 seconds ring time and may train in the ring. A silent toy may be carried in the hand when running in Grade 1, NFC in any grade or Nursery & Legends

Yellow Dogs

Dog requiring extra space are collectively referred to as Yellow Dogs (please see www.yellowdoguk.co.uk for more). UK Hoopers are committed to providing a low stress, low arousal environment to help dogs become conditioned to sports competitions. If your dog requires extra space please ensure you tick the YELLOW DOG box on their hoopers.online profile. Yellow dogs queue separately to other dogs to allow everyone to help cater for their needs, they often run either first or last in a class. If you have a Yellow Dog you **MUST** wear an identifying yellow garment **AT ALL TIMES** around the showground – people won't be able to give you space unless they can identify that you need it. We implore all handlers to read the rule book carefully and provide additional space to dogs wearing yellow. Please note that it is not possible to create an entirely dog/person free environment at a competition and competitors are reminded to consider that there will be other dogs/people present at all times. Rulebook available at: www.ukhoopers.com

Yellow / young / inexperienced dog handlers - Please also consider that this event is being run within the footprint of a popular and well attended agility show with many other rings running at once.

Fenced Rings

Rings will be fenced on 3 ½ sides at this event with an open entry and exit. Further to this, rings that join onto another, with a shared boundary, have an additional layer of fencing to create an enhanced visual barrier. Please remember that rings are fenced to provide a clear visual boundary, not to contain dogs, or as a substitute for appropriate training. It is your responsibility to ensure your dog is suitably trained to remain in the ring when competing.

Dog Section

Small – Dogs with an ulna measurement of 15cm or less.

Large – Dogs with an ulna measurement of 15.1cm or more.

Veteran – Dogs 7-10 yrs. **Veteran+** - Dogs 10yrs or over. (Dogs may run as a Veteran or not at the handlers choice. Once a dog competes as a Veteran they will remain as such).

Awards

All classes will place with rosettes to a minimum of 3rd place or to 20% of pre entries, whichever is higher. Clear Round rosettes will be available for unplaced, clear rounds. Presentations will be made during the show, all awards must be collected before the show closes or shall be forfeited. Trophies/prizes or free entry vouchers will be available in all classes/sections of 10 or more pre entries.

Full Rulebook

Can be viewed at www.ukhoopers.com competitors must read and understand the rules before entering and will be expected to comply at all times. The judges decision is final.
