SPECIAL BEGINNERS COMPETITION

What Is It?

Beginners are ALWAYS welcome at our events, however we know that attending your first show can be a bit daunting so on **Saturday 10th May** we're throwing the doors wide open and inviting handlers to come and try their first UK Hoopers competition, with a little extra help from us.

Who Is It For?

There are classes for all grades of dog, it's not just for beginners. However, we'll have some extra help in place for those attending their first show or who are still quite new to competing. Of course, you're welcome to join us for the entire weekend.

What Can I enter?

If you've competed with us before then enter as you normally would.

If you haven't competed with us before, but have progressed elsewhere then you should follow the guidance in the Competition Handbook to make sure you're entering the correct grade.

If you haven't competed with us, or anywhere else before, or if you've only done a very small number of shows then here's what we'd recommend...

If you're ready to take on the course you can enter Grade 1, these are class numbers 21 & 24 for Parours. and 26 & 29 for Hoopers. You are welcome to enter all 4 of these if you wish. They'll be flowing at set at beginner level.

If you're not quite ready for full competition courses, or want to run for clear rounds over a lovely pre-competition level course, you should try Nursery & Legends instead, Nursery and Legends can be entered by any dog over 12 months and are class numbers 22 and 29. You **can't** run in a mixture of Grade 1 and Nursery & Legend classes.

There is also a Special Beginners Speedstakes class, this is a special class, just for fun and you can enter this in addition to either Grade 1 or N&L classes.
